(1) *Notes about prior period adjustments*

(2) *Notes about Subsidized health services*

(3) *Notes about Community building activities*

Iredell Health System provides services to the community through charity care, health screenings, educational programs, support groups, and cash and in-kind donations. Iredell Health System leadership believes in 'giving back' whenever possible. Iredell Health System and our employees support a variety of agencies and charities that strive to improve the health and lives of local citizens. Among these are the March of Dimes March for Babies, the annual United Way campaign, the American Heart Association, and the American Cancer Society's Relay for Life.

Additional Information:

*Additional support received for any community benefit activities.
These amounts have not been netted from Total Community Benefits.*

Other Notes

*** Footnotes:**

The costing methodology or source used to determine payer costs is:

- X The ANDI methodology, which uses a facility-wide ratio of cost to charges as described in NCHA Community Benefits Guidelines.
- _____ An internal cost accounting system, adjusted for community benefit reporting.
- _____ An internal cost accounting system, adjusted for community benefit reporting, for all items except bad debt and charity care, which use in internal cost-to-charge ratio approach that is based on the methodology specified in the NCHA Community Benefits Guidelines.
- _____ An internal cost-to-charge ratio approach that is based on the methodology specified in the NCHA Community Benefits Guidelines.

All costing methodologies do not double-count expenses reported in other community benefit items. For example, amounts reported in Subsidized Health Services do not also appear in Medicaid losses.
