Reduce Your Risk and Simplify Training

Safety training programs and educational materials for employees are critical for reducing accidents, increasing retention, and minimizing your total cost of risk now and in the future.

Gallagher's **CORE360™ Loss Control Portal** is our proprietary learning management system (LMS) that supports your safety program, provides real-time access to your loss control plans and keeps employees up to date with the latest safety standards.

Key Benefits of CORE360™ Loss Control Portal

- **Register** for up to 10 complimentary modules every year from a library of over 100 training and safety shorts. In addition, monthly bulletins are available, covering topics such as general and environmental safety, human resources, and health and wellness.
- **Save** valuable time by assigning employee training and monitoring their latest progress and completion.
- **Simplify** the process of training to stay in compliance and avoid costly penalties.
- **Onboard and train** an unlimited number of users while enhancing your overall risk control program.
- **Customize** your platform with your company's logo, training content and modules tailored to your business, and personalized procedures and forms for an added fee.
