

The workforce solutions program built by hospitals for hospitals

Qualivis is the only vendor-accountable managed service provider created by hospitals to build a stronger, more sustainable workforce.

At Qualivis, our team has a deep bench of healthcare experience in both clinical and non-clinical roles. We understand the challenges of hiring and retaining staff, navigating complex contracts and managing rate fluctuations.

HOW QUALIVIS IS DIFFERENT

Agility

We build programs to your needs and implement changes at your speed.

Transparency

Our technology provides 24/7 visibility and data analytics to drive decision making.

Ease

We make it easy through our platform, our mobile app and dedicated team of experts.

Cost Savings

We consistently deploy cost-saving programs that deliver immediate ROI.

Quality

We invest in our team and our partnerships, ensuring clinical excellence.

Fulfillment

We're backed by more than 200 partners, including the largest agency in the country, ensuring fulfillment for every job.

We offer

- Workforce Consulting
- Allied and Nurse Travelers
- Per Diem and Local Staffing
- Advanced Practice and Locums
- Non-Clinical and Administrative
- Permanent Hiring Solutions
- Interim Management
- Internal Resource Pool
- Crisis/Rapid Response and Workforce Disruption
- International Recruitment

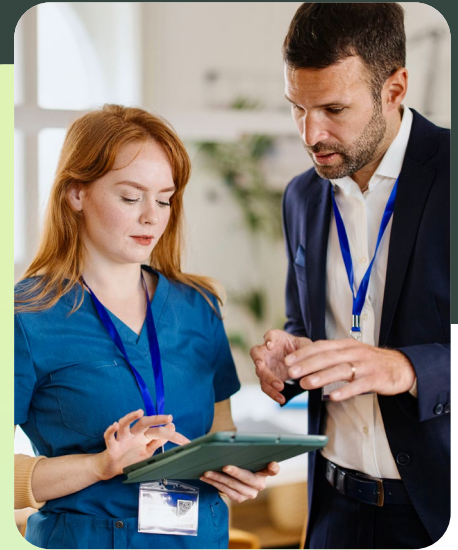

98.8%
clinical success rate

Qualivis

STATE HOSPITAL ASSOCIATIONS

Qualivis is endorsed by 27 state hospital associations and nurse leadership groups, validating our commitment to quality and investing in the health of the communities we serve.

CURRENT CLIENTS

“We have worked with Qualivis for several years. The staff are always amazing and helpful even if I come to the table with a crazy question! The entire team we currently have is wonderful!”

– HR Recruiter,
Academic Medical
Center

“Exceptional customer service, responsiveness, low time to fill, quality candidates, efficient processes, market data availability.”

– CNO, Enterprise
Health System
