NCHA provides this text for use with the chargemaster posting.

The information provided [*link or below, customize to your hospital*] is a comprehensive list of charges for each inpatient and outpatient service or item provided by a hospital, also known as a chargemaster. It is not a helpful tool for patients to comparison shop between hospitals or to estimate what health care services are going to cost them out of their own pocket. For more information about the cost of your care, please contact our patient financial services staff [*customize contact to your hospital*].
