

Brian Klausner, MD

Executive Medical Director

WakeMed Health and Hospitals

Dr. Brian Klausner is Executive Medical Director of the WakeMed Center for Community Health, Innovation and Equity in Raleigh, NC, where he has worked since 2011 developing community-based population health models. A graduate of Notre Dame and Georgetown School of Medicine, he began his career with Boston Health Care for the Homeless and has spent his entire career serving patients experiencing chronic homelessness. His work on high-risk patients and health equity has been featured nationally, and in 2024 he published *In the Gaps: Better Understanding the Expensive Human Suffering of Chronic Homelessness*.
