

Bria Miller Lateef

*Partnership for a Healthy Durham Coordinator
Durham County Department of Public Health*

Bria Miller Lateef serves as a Program Manager in the Population Health Division, best known in the community as the Partnership for a Healthy Durham Coordinator at the Durham County Department of Public Health. In this role, she advances fairness in public health through community-driven collaboration. Since 2021, she has led the coordination of Durham's Community Health Assessment (CHA), guided the implementation of health improvement plans, and authored the State of the County Health Report. The department's 2023 CHA and CHIP received statewide recognition for excellence.

Bria coordinates the Partnership for a Healthy Durham, a community-wide health coalition that mobilizes partners to respond to the county's top health issues. Its committees focus on Health and Housing, Access to Care, Mental Health, and Physical Activity, Nutrition, and Food Access.

Her background includes work in human trafficking prevention and restorative justice, with a strong focus on relationship-building, advocacy, and systems change. This interdisciplinary experience informs her holistic approach to addressing the social determinants of health and elevating community voice.

In 2025, Bria was recognized as one of the de Beaumont Foundation's 40 Under 40 in Public Health.
